

MODULAR SELF-CLEANING TOILET

Motion: For the Town Council to investigate the possibility and costs of installing Modular self-cleaning toilets in the town.

Current total expenditure per public convenience:

For the 2026-27 budget £170,000 has been built in for all 8 public conveniences across the Town.

Total expenditure per toilet:

Devonshire Square - £28,141

Little Common Roundabout - £7,408

Sidley - £11,995

East Parade - £11,614

Little Common Recreation Ground - £8,610

Normans Bay - £12,829

West Parade - £11,449

Appendix D: Cllr Lee's Motion

Channel View East - £23,778 (large amount of vandalism meant closing toilets for a lot of repair work to be done, hence the higher costs).
