

APPENDIX H

LIST OF MOTIONS BEING CONSIDERED IN SEPTEMBER

Cllr Peters

Motion: Preserving Local Decision-Making and Community Representation

This Council resolves to:

- i. Reaffirm its commitment to local decision-making and community-led priorities
- ii. Encourage members, when acting as Town Councillors, to place the interests of residents and the Town at the centre of decision making.
- iii. Support a culture of collaborative working across all members regardless of political affiliation.

Cllr Plim

This council believes that the Events Budget associated with the Finance committee's grants, would be more appropriately managed if the Engagement and Communication committee would be able to award grants for events instead of the Finance committee.

Therefore, the events proportion of this year's and any forthcoming years grants should be relocated to the Communication and Engagement committee with immediate effect.

Cllr Thomas

A

To abandon the Glyne Gap Roundabout scheme to place a Serpollet car at this location.

B

Amenities Committee be asked to investigate the possibility of an alternative site for a Serpollet car

Cllr Drayson

A

Following the success of the very well attended Return to the 80's event on Saturday 11th July and the hiccup over this Council's grant towards it, the Engagement Committee is asked to investigate the feasibility of identifying up to four events a year

APPENDIX H

where the council would commission professional organisers to deliver free events for our community, rather than organisers seeking grants to run such events.

B

That this Council considers that Buckhurst Road is currently the road in Bexhill most in need of urgent repair along its entire length and accordingly asks East Sussex County Council Highways Department to undertake detailed investigations of the subsidence and severe deterioration of the road surface to establish the causes, identify practical solutions and undertake repairs as soon as possible.

Cllr Wilson

That the Corporate body of BTC request our Clerk to contact the RDC planning officer to present to us an overview of the upcoming planning changes as part of the NPPF.
