

Agenda Item:	8
Report to:	Amenities Committee
Date:	2nd September 2026
Subject:	Sanitary provision for Public Conveniences
Summary:	The Committee is asked to consider the provision of Sanitary bins for Bexhill-on-Sea Public conveniences.

1. Background and objective

- 1.1 The Council agreed the licenses for the public conveniences at council meeting 24th June 2026.
- 1.2 There has not been any Sanitary provision in the public conveniences to date mainly based on the outstanding license agreements with Rother District Council.
- 1.3 There is a requirement to provide suitable and sufficient sanitary conveniences, including means for the disposal of sanitary waste, in female and unisex toilets.

2. Purpose of the report

- 2.1 The purpose of this report is to consider the provision of providing sanitary waste bins in every disabled toilet which would be suitable for users. Further bins to be provided in the communal area of each ladies' public conveniences.

3. Financial Implications

The budget for 2026-2027 has been set with a budget for public toilet contingency balance as at 31.8.2026 - £16,221.00

Costings for providing 1 bin in ladies communal area, and 1 bin in disabled toilet across the following sites, Devonshire Square, Little Common Roundabout, Little Common Recreation Ground, Sidley, Channel View East, East Parade and West Parade. Normans Bay will have bins reallocated from Channel View East, due to these facilities only be opening for 6 months of the year.

Quotes as per companies below.

Site	Qty	Frequency	Company 1	Company 2	Company 3
